

## Industrial Building Contains Many Fine Commercial Exhibits

Manufacturers and Agents Vie With One Another for Artistic Displays—Hundreds Inspect Interesting Appliances and Home Fixtures

VISITORS to the Industrial Building, at the Willows Exhibition, are loud in their praise of the many fine displays shown by the dealers in every class of merchandise. Movement, color and variety are in the background of an ever-shifting crowd.

Entering the building the visitor sees the exhibit of the Weller Furniture Company, Ltd. The booth is divided into four panels, the first representing a fully-furnished bedroom, complete with a walnut suite. The vanity and dresser mirrors are of the semi-Venetian type. The living-room is represented as furnished with a chestnut field suite manufactured in the company's own workshops. Tables, stands and bookcases are Canadian-made. The dining-room contains a de luxe suite of early English design.

the model of logging operations. This is a meticulously accurate miniature of one of our major industries. Products of the mill, including boxes for all types of fruit and commercial purposes, are stacked round the walls, which are of different types of siding and paneling.

The Baker Brick and Tile Company have made best use of their space with a full line of the Baker Brick Products, including field tiles, flower pots, brick and tapestry brick, all made in Victoria. A brick man is well executed, complete with features and limbs.

Mrs. Ostricker serves the delicious Pineapple Snow confection from an attractive booth.

**LOCALLY PACKED FRUIT**

Stressing the home manufacture of locally-grown products, the Holman Packing Co., Ltd., makes a fine showing with ranks of jams, pickles and all kinds of fruit. The various products are opened for sampling, and the pickled walnuts prove a very popular drawing card. The Sidney Rubber Rooming, has two fine booths devoted to locally-made products. The Duroid fire-proof shingles are shown by a model bungalow, constantly sprayed by a miniature rainstorm. The siding is of the Duroid art brick. A new product is the Seal Dip shingle. These are offered in a wide range of colors, each of which is guaranteed not to fade. In the smaller booth there are shown other samples of Duroid roofing, including a special roof paint and Duroid felt and building paper. Here, also, is a display by the Kindles Co. of Victoria, demonstrating their new instant action kindling.

A vivid splash of color is the display made by John Wood, Victoria representative of the International Correspondence Schools. Here the fullest information is given on every branch of the many courses offered. The school's booklets and pamphlets are handed out.

Stockers' Transfer Co., Ltd., make a specialty of their service in crating, shipping and storage, the whole exhibit being finished in the distinctive black and orange that marks all the company's trucks and vans. Various methods of packing and different aspects of service are amply demonstrated.

**CAMPING SUPPLIES**

F. Jean & Bro., Ltd., have grouped a representative showing of the things they handle in a neat awnings, pack sacks, canvas goods of all kinds, everything for the camper, dishes, sleeping sacks, etc. The display is a most interesting display of Victoria-made goods.

The well-known colors of blue and orange mark the artistic booth of the Union Oil Co., featuring the "Union Oil" gasoline, which has made such a stir since its introduction a short time ago. This display is in conjunction with the new Union product, Motorol, which has recently been put on the market with outstanding success.

In the booth of Ramsey Machine Works, heating is specialized in represented by the Canadian-made Ace furnace, Victoria Ace oil burner and the Field fuel saver. This latter is a new automatic device that checks and regulates the draft in any flue, accomplishing an enormous saving in fuel. In addition to these is the Johnson rotary heavy oil burner. A feature which draws much attention is the new Ramsey Bungalow oil burner, specially designed for residential use.

B. T. Leigh has an interesting exhibit of the Peace weather strip. A realistic design shows rear doors and windows opening into a warm drop, in which is set a powerful electric fan. This demonstrated the efficiency of the weather strip, windows which have been treated admitting no draught, thus enabling the temperature of the home to be maintained with much less fuel.

**MINIATURE WORKSHOP**

The Lemon, Goussard Co. draw hundreds to their booth through the demonstration of the Driveline work bench, fully equipped with power-driven tools suitable for use by the amateur woodworker. These include a bandsaw, table saw, jointer and planer, rip saw, grinding and buffing machine, a drill press and lathe. These are operated from ordinary household electrical power. Any individual piece is available separately. The tools of the booth are lined with samples of the doors, made here in Victoria, of mahogany and local woods.

McMartin's Leather Goods Store shows a complete line of quality leather goods, including novelties, handbags, traveling cases and wardrobe trunks. The quality of the Packrite bags are very popular here. Zipper traveling bags are a prominent feature. The finest leather-working possible is shown in some of the ladies' English handbags.

W. R. Gibbons has a fine display of local brushes, locally manufactured, in which he is a specialist. These include a range from the finest hair brushes to genuine stable brooms. Repairing is done on the spot. The imported compressed milk sheets are worked up into attractive brush backs and trays. Ornamentation, etc. is done to order. A Copan occupies a portion of the booth with French candy.

The Central Creameries, featuring the well-known "Owl Brand Butter," has an attractive stall with three hand-carved panels of butter in refrigerated show cases. These represent the Victoria War Memorial, B.C. Industries, and the Queen Victoria Memorial in Vancouver. They were executed by Mr. Bakken, artist employed by the Central Creameries Ltd.

**ELECTRICAL SUPPLIES**

The Murphy Electric Company have an attractive stall, well lit with the latest lighting fixtures. These are of excellent novel design, those fashioned after old-time oil lamps being much remarked upon. In the booth stands the latest types of Hotspot electric ranges, the new Kelvinator, and the Electrico. A Majestic electric fire grate is also shown, together with the new Maytag washer, with ironer attached. A big feature is the Quikheat heater, locally made. This is a system of brass coils, proved to heat thirty gallons of water in half an hour.

Brackman-Ker Milling Company, Limited, have displayed a full line of the cereals they handle, including whole wheat flakes, oatmeal, pea flour and the many other grain products for which they have been known in Victoria for many years.

The Victoria Junior Chamber of Commerce have a display of Victoria-made, spring-filled mattresses, down comforters, pillows and bed cover-

## Horse Show Opens With Splendid Performance

Magnificent Jumping and Riding Seen at Willows Last Night—Commander Slingsby \$150 Sweepstake a Rousing Event

Magnificently ridden by Mrs. D. B. Carley, Beggar Boy and Pop Over, from the Carley stables, last night in the opening programme of the four nights' horse show at the Willows exhibition carried off 50 per cent of the Commander C. H. Slingsby \$150 Touch-and-Go sweepstake by winning first and third places respectively in the performance.

A third distinction fell to the same rider, however, as Mrs. Carley was again in the saddle when Miss Whyley's Irish Jury took the second prize and 25 per cent of the money in the same class. This was an all-round exciting performance, and introduced some splendid jumpers as well as riders. It was generally recognized as the major event of the evening, and despite the fact that it came at the end of the programme, a big gallery remained to see the finish. In the same event two other animals made a fine showing. Arab, ridden by Mr. M. Templeton, the owner, and Nevada, owned by Miss J. A. Rithet and ridden by Mrs. Macdonald. There were twelve entries in this difficult event which required the horses to clear three jumps, one a hurdle of three feet and brush, another a four-foot post and rail jump, and the third a four-foot triple bar in the centre of the arena. Several of the horses bolted or reared one or other of the jumps, crashed through the bars, fell, or touched the bars, but Pop Over and Beggar Boy gave practically flawless performances, and apparently nervous but a decidedly popular winner, clearing everything with inches to spare.

The appearance of the programme provided plenty of entertainment and abundance of good horseman-ship as well as smart saddle, hunting and jumping classes. A decidedly showy performance was furnished in Class 76 for the best pair of hunters. The ladies were em- ployed in the lead as riders in this event, and the first prize was won by Mrs. Carley and Mrs. McAnally, on Carley stable horses, gave a spirited demonstration of riding at a breast over the two jumps at a fine high, twice around. The second prize was won by Nevada and Arab, ridden by Miss J. A. Rithet and Miss D. Allen, who were very smooth and rhythmic performance, and Miss Hogan and Miss Macdonald, on Cowichan Club mounds, showed beautiful form and

style. The turnouts were very smart in each instance. The three other saddle-class events of the evening also provided considerable interest. The Judge, Dr. M. Sparrow, of Vancouver, took considerable time deciding the relative merits of the three or four best entrants in the novice saddle-horse class, but finally gave the first prize to Commander Slingsby and his mount, a very tall and beautiful chestnut called Manifest, which showed fine ring manners and all-round pleasing qualities. The second and third prizes in this class went to W. H. Munzie's nicely-mannered bay mare Tabby, and Russell's Riding Academy (Vancouver) dark brown gelding, Charn, respectively.

**PONIES**

The pony class proved a little confusing, owing to a last-minute decision to admit at the same time as the proper entries some under-thirteen-hands entries, which, under the rules should have entered the same class. The larger ponies were judged first, the larger prize going to a Vancouver Riding Academy post entry, Queen of Wales, and second and third to two Cowichan Riding Club mounts, a light brown ridden by Miss Hogan, and Elter, ridden by John Garrett. The three smaller ponies, which were judged later, were graded as follows: First, Miss Pride, owned by W. H. Munzie; second, Babe, owned by Muriel Raper; and third, Billy, owned by Tom Raper.

The hunter class betrayed several bad bakers as well as some clean-headed and able jumpers, the best of the entries being graded as follows: First, Miss Pride, owned by W. H. Munzie; second, Babe, owned by Muriel Raper; and third, Billy, owned by Tom Raper.

is concerned, it is doubtful if any other fair has as fine a collection of animals, of prize-winning calibre, under one roof. The animals are mostly all champions of their class and only a few points separate them from the highest awards. The count of the large number of entries in this class the judges have found it necessary to request more time for judging, and therefore judging will commence at 9 o'clock this morning instead of 10 o'clock in the Holstein class.

**FLOWERS AND VEGETABLES**

The floral and vegetable sections of the fair always afford a great deal of interest to visitors, and this year every part of the main building has been filled with the choicest from garden and farm. The exhibit exhibits this year are well up to the average of former years, although climatic conditions have not. These exhibits are from farm- ers on Vancouver Island, and the Mainland and the spirit of contest is exceptionally keen. The new entry this year is the Canadian section, which is a half-mile display of the best of the making overtures to England in order to rehabilitate their trade and generally maintain trade relations with the whole Empire.

**BREAKS OSLO FACT**

Today's announcement was interpreted as continuing a break-up of trade relations established by the Oslo convention which bound Denmark, Sweden, Norway, the Netherlands, Belgium and Luxembourg under a preferential customs duties agreement. This was begun some time ago, when Sweden allowed the Swedish-German and Swedish-Polish trade pacts to lapse and refused to join the Belgo-Dutch tariff treaty.

**Gas in the Stomach Is Dangerous**

Recommend Daily Use of Bismarck

Gas in the stomach, accompanied by a full, bloated feeling after eating, is almost certain evidence of the presence of the disease known as "acid indigestion." This condition is caused by an excessive secretion of gastric juice, which irritates the delicate lining of the stomach, often leading to gastritis, and in some cases to cancer. Bismarck is a powerful antacid, which neutralizes the excess acid and prevents its formation. It is a safe, reliable and effective remedy for all cases of "acid indigestion," and is recommended by all leading medical authorities.

**AMUSEMENT FEATURES**

Although today is the big day at the fair, there are plenty of interesting things to be seen on every one of the remaining days of the exhibition. The midway provides a good deal of fun for the young and the old, and the horse racing is attracting larger crowds than usual. The horse show is continuing tonight, Thursday and Friday nights. Most of the Saturday day will be the pet parade. The directors of this entertaining feature have decided to receive entries until Friday night. The young and the old are expected today. At 10 o'clock this morning the boys and girls' judging competition in floral and vegetable department will be held. Through the new public address system arranged for this year's show, music is pro-

## TWO PLANES ON OCEAN FLIGHTS FAIL TO ARRIVE AT HARBOR GRACE FIELD

Continued from Page 1

**SAFE AT ST. JOHN**

Lieut.-Col. George Hutchinson, the third flyer to set out today, arrived at Saint John, N.B., his destination, at 4:35 p.m. Eastern standard time, with his crew and family. He planned to fly to Labrador tomorrow and proceed by easy stages to London.

Little knots of people who stayed late at the airport were talking about the possibility the two planes might have kept on past their fueling point, just as Captain J. A. Molson did on his westward flight last Friday.

Solberg and Petersen had 650 gallons of gasoline aboard, but expected to increase their fuel load to 1,000 here. Lee and Bouchon had 200 gallons of fuel aboard their flying Green Mountain Boy, however. That was enough for about fifteen hours flying, and at 15 minutes past midnight their fifteen hours would be up.

**WERE NOT FAR APART**

When Lee and Bouchon took the air at Barre only about 100 miles separated them from Solberg and Petersen, who were over Portsmouth, N.H., at that time. Later the Solberg-Petersen plane was reported passing over Portland, Me. Weather reports available when all three flights got under way were favorable for the first leg.

**BY EASY STAGES**

Hutchinson's "flying family" left New York aboard a Sikorsky amphibian, the City of Richmond, intent upon making the flight to London by easy stages. Unless weather conditions were against them, they planned hops on consecutive days from Saint John, Labrador, to Greenland, thence to Iceland and finally to London. The distance was estimated at 4,200 miles.

## Agricultural Hall Is Gay With Field Crops and Flowers

Main Auditorium Is Crowded With More Than  
1,400 Entries—Floral Display Scene of Brill-  
iant Color—Fruit Section Well Stocked

MORE than fourteen hundred entries of flowers, fruits and vegetables combined to make the Main Agricultural Hall at the Willows Fair, this year, probably the gayest scene on the grounds, and certainly the most successful division of the show for some years.

In every division there were record entries and this was evidenced in the somewhat crowded condition of the floral section. A little more space would have shown the various exhibits off to greater advantage.

Despite this fact, however, the building was gay with splashes of vivid color, while the scent of field crops reminded one of harvest season.

In the floral district displays there were entered the Victoria Horticultural Society, Daughters of England and Victoria Women's Institute.

Mixtures of daisies, godets, sweet peas, chrysanthemums, gebers, dah-

lias, phlox, roses, and a multitude of other flowers made this section of the building a glorious display of color. In the Victoria Horticultural Society's exhibit alone there were 150 varieties of flowers of all colors.

There were four individual displays of various flowers, including asters, delphiniums, campanulas, tritomas, hollyhocks, and other varieties. This, combined with commercial displays of dahlias and gladioli, the latter one of the outstanding features of the show, presented an array of color such as is seldom seen in Victoria.

Inspection of the gladioli section alone would occupy an afternoon. One commercial exhibitor had no less than 125 varieties of this one flower on display.

Of particular interest was the French importation called 'Tragedie', an orange blossom, spotted with maroon and gold. It is an exotic variety and is easily picked out from the many other varieties owing to its striking characteristics.

The 'Berty Snow', a Scotch importation, with its lovely lavender shades, and the scarlet 'Fulgure', with its dotted maroon and white petals, were other striking varieties on display.

Twenty-four decorated tables are entered in the show and here again the flowers are shown to advantage. In the dahlia section some exceptionally fine seedlings are shown.

One is a flame colored seedling and, arranged in a huge basket, is by far the most attractive group. Another seedling is pure yellow and is so striking in effect that it stands out from all the rest of one commercial exhibit.

The city nursery at Beacon Hill Park entered two noncompetitive exhibits. One display was a pyramid of sweet peas, the other a collection of twenty-five varieties of sweet peas. The other, which won the commendations of the judges and an award of merit, contained every conceivable variety of begonia. There were pink, salmon, yellow, red, orange, deep pink, crimson, apricot, many other shades both of the deep warm kind and delicate, almost transparent shades.

In the field crop division there were more than 400 entries of vegetables of all kinds. The frequent Summer rains have developed some large sized vegetables, but these were found to be a little too gross, compared with the more uniformly developed produce.

There was a record entry list in the vegetable seed class, while the individual display of twelve varieties attracted seven large entries.

On one table alone there were 500 entries of fruit, with apples dominating the picture. The berries also held a prominent position and were of high quality.

During the afternoon the judges were busy with the displays, which this year are more attractive than they have ever been. Rivalry is keen and it is hard to say which district will win.

It is the general opinion of exhibitors and fair officials that this year's agricultural show sets a new record in the seventy-one years' history of the British Columbia Agricultural Association. Never before have there been so many entries, while the quality is well up to standard.

The largest contributing factor to this is that the show was advanced this year, compared with previous dates, and caught the public at the best time of the season, and at the same time, encouraged more gardeners to exhibit their produce.

On one table alone there were 500 entries of fruit, with apples dominating the picture. The berries also held a prominent position and were of high quality.

During the afternoon the judges were busy with the displays, which this year are more attractive than they have ever been. Rivalry is keen and it is hard to say which district will win.

It is the general opinion of exhibitors and fair officials that this year's agricultural show sets a new record in the seventy-one years' history of the British Columbia Agricultural Association. Never before have there been so many entries, while the quality is well up to standard.

The largest contributing factor to this is that the show was advanced this year, compared with previous dates, and caught the public at the best time of the season, and at the same time, encouraged more gardeners to exhibit their produce.

## MAIN BUILDING MASS OF COLOR

Comprehensive Horticultural  
Exhibit Makes Beautiful  
and Interesting Showing

Everyone interested in horticulture should visit the Main Building, which contains one of the finest displays of lovely blooms possible to imagine. One of the most outstanding of the commercial exhibits is that of the Layritz Nurseries, Ltd. To one side stands a solid bank of fruit of every description, topped by a mass of evergreens and flanked by shrubs. A fig tree is one item that is the source of much interest. To the right lies a mass of greenery which marks the ornamental shrubs, containing many rare and valuable trees.

Elder's Capitol Dahlias are a riot of color that occupies the entire exhibit. In the centre stands a cluster of the specimen flowers reared by the Capitol Dahlias Farm from seedlings, three years being necessary. Many varieties of this lovely flower are in evidence, from the largest blooms to the little Pampom dahlias.

The James Canadian Seeds, Ltd., have a fine showing of the various seeds grown for the market at the big farm, close to Duncan. These include specimens of vegetables and flower seeds, all carefully tabulated. Brown's Victoria Nurseries are represented by a mass of bloom, mostly dahlias. One of the most outstanding is the Miss Canada variety, raised by this nursery from seedling. Here, too, is the Alec Craig, well known to every enthusiastic gardener.

The Dominion Entomological Branch has established an interesting exhibit, cataloguing the various insects of the district, giving the full life history of every variety. The work is mostly confined to pests, and much valuable information with regard to control is given out. Close by, and co-operating with the Dominion officials, is the exhibit of the Plant Pathology Department of the Provincial Government. This booth gives full information as to the cause and progress of all plant diseases, demonstrating the origin and growth of the trouble by test tubes and samples. This work has done a tremendous amount toward the checking of plant mortality.

## GORDON DRYSDALE CALLED BY DEATH

Former Victoria Merchant Paces  
on Mainland Following  
Long Illness

Following a lengthy period of illness, Gordon Drysdale, former well-known Victoria merchant and prominent Vancouver business man, passed away early yesterday morning at his home, 1989 King Edward Avenue, Vancouver, aged seventy-three years.

Mr. Drysdale ranked high among the leading merchants of British Columbia, and since 1892 had been associated with commercial enterprises in the province. On several different occasions he had been in partnership with the late David Spencer and Charles E. Stevenson. He is survived by his widow; two

sons, George R. and Norman Drysdale, of Vancouver; one daughter, Miss Janet R. Drysdale; three brothers, Albert and James, in Nova Scotia, and George, in Sacramento, and one sister, Miss Annie Drysdale, of Haverhill, Mass.

Private funeral services will be conducted by Rev. George Wilson, at the family residence, tomorrow, and the remains will be cremated.

## NONAGENARIAN DIES

The death occurred yesterday of Mrs. Mary Nelson, wife of C. J. Nelson, of Mount Tolmie. Born in Ontario, of Canadian parents, Mrs. Nelson came to Victoria twenty-nine years ago, where she has since made her home. At the time of her death she had passed her ninety-first birthday. She is survived by her husband and four daughters, Mrs. Chivers, Mrs. G. H. Deane, Mrs. M. Kirkham and Mrs. A. A. Moore, all of Victoria. There also survive four grandchildren and seven great-grandchildren. The remains rest at Hayward's B.C. Funeral Chapel, where Rev. T. Rowe will conduct the funeral service privately on Thursday. Interment will be made at Royal Oak Burial Park.

## BUY SHOES FOR NEEDY

VANCOUVER, Aug. 23.—Vancouver school employees who are providing money to purchase a quantity of shoes for school children from the homes of unemployed will be asked to arrange for buying the footwear. This was decided by the city council today after aldermen had examined prices of shoes submitted by the purchasing agent.

## FRUIT MEN ARE ENCOURAGED

Larger Share of Pacific  
Northwest Apple Move-  
ments Predicted

British Columbia fruitgrowers have obtained material advantages from the Imperial Economic Conference, notably so in the case of apples, it was said yesterday by J. A. Grant, British Columbia markets commissioner.

The British preference on apples will be 38 1/2 cents a box, which, in addition to the present rate of exchange on currency, will give the Canadian producer a distinct benefit in export shipments to the United Kingdom from this coast. The returns to the grower, Mr. Grant made clear, would be in the neighborhood of 30 cents per box as a "gross return," and not as a "net profit" as some reports had it. Out of this must come the grower's own costs.

The United Kingdom takes upwards of 6,000 boxes of apples from the Pacific Northwest yearly, and British Columbia's share of this movement will be greatly stimulated, it was stated.

## LARGE EXPORTABLE TOTAL

The 1932 apple crop of the province may be in excess of 4,200,000 boxes, of which 1,750,000 would be

available for export, subject to variety, grade, condition and other market factors. The effect of the preference on apples would be to consolidate gains already made by British Columbia fruit in England, and to extend export opportunities to that market greatly, it was stated.

Officials of the Department of Agriculture are busy working out the effect of other conference arrangements in respect to British Columbia fruits and produce generally. Berry pulp and processed fruits will also share in preferential treatment, though not to the full extent sought.

## BURIED YESTERDAY

Many friends attended the funeral of Mrs. Mary Duncan, which took place yesterday afternoon. Rev. W. O. Wilson, D.D., conducted the service, during which the hymns "Rock of Ages" and "Jesus, Lover of My Soul," were sung. Interment was made at Ross Bay Cemetery, with the following as pallbearers: Victor Duncan, Orville Duncan, George A. Duncan, R. Waite, G. Miller and J. Turton.

## WAS BURIED YESTERDAY

The funeral of Mrs. Phoebe Elizabeth Reid took place yesterday afternoon at 2 o'clock. It was largely attended and many beautiful floral offerings were received. Rev. N. C. Eratson gave a very impressive sermon, during which the hymns "Nearer, My God, to Thee" and "Safe in the Arms of Jesus," were sung. Mrs. Reid's four sons acted as pallbearers. Interment was made in the family plot in Ross Bay Cemetery.

## KIDD REPORT IS TO BE PRINTED

Government Orders Printing  
of Document as Drafted  
by Committee

Report by the Kidd committee on Provincial affairs will be placed in the hands of the King's Printer shortly for printing. It was initiated yesterday by Premier Tolmie. The Government is also preparing its comment on some of the arguments advanced by the committee, which may be published at the same time, at the end of the month.

Fifty copies of the Kidd report as it stands will be printed and presented to the committee by the Government. Several thousand copies are to be printed for the public, and may be sold at a nominal price, enough to offset the cost of handling them.

It is unofficially understood that the Government intends to print the Kidd report for the public in an annotated form, giving both the substance of the report and any addenda necessary to correct inaccuracies in the report. There will be no deletions from the revised draft returned to the Government by the committee.

John Cotton, an eminent Puritan divine, was known as "The Patriarch of New England."

## Livestock Judges Praise Quality of Exhibition Entries

### Prince of Wales and James Turner Win All Short-horn Awards—Competition Among Sheep Exceedingly Close in Southdown Section

JUDGING of the livestock classes at the Exhibition was started yesterday, when Jerseys, Shorthorns, Aberdeen Angus, Herefords, and a number of breeds of sheep and swine were awarded ribbons. Judging of heavy horses was started also, with placings given to Clydesdales, Belgians and Shires.

Being the only exhibitor of Shorthorns, H.R.H. Prince of Wales took all awards for the breed with his class of five-year-old fillies. Angus, Herefords, and a number of breeds of sheep and swine were awarded ribbons. Judging of heavy horses was started also, with placings given to Clydesdales, Belgians and Shires.

There were no other herds entered, but, as with the E.P. herd, the quality of the entries was such that the Cadboro Bay breeder would have carried off a large share of the prizes in stiff competition.

W. J. P. Warren, Belbeck, Sask., being the only exhibitor of Aberdeen-Angus, won all awards. This string of Duddies has been exhibited across the Prairie circuit with outstanding success against stiff competition from well known herds.

In the Hereford division, Charles Turner, Kilgord, B.C., won all awards, thirty-six ribbons in all. Again he was the only exhibitor.

Charles Turner, Kilgord, B.C., showed the champion Clydesdale stallion and Robert Thornburn, Vancouver, exhibited the champion female, which was the silver-colored Clydesdale Association gold medal for the best female. Turner also had another winning stallion and third prize aged mare. James Turner had the best three-year-old filly and the best yearling filly. R. J. Dahl had the second prize yearling and W. M. Oldfield took fourth in

## JUNIOR CHAMBER MAKING APPEAL

Advantages of Buying Canadian-Made Goods Is Urged Upon Visitors at Fair

In the Industrial Building at the Exhibition, the Junior Chamber of Commerce is taking care to bring vividly before the public the advantages of buying Canadian-made goods. This is through the display made by the Canadian products group of the Junior Chamber. The attention of the visitors is at once attracted to the display, as the section assigned to the group carries the information "Canadian factories have been built where our forests once grew—help to continue the growth of these factories."

Beneath this is displayed the outline of manufacturing establishments bearing the signs, lumbering, milling, painting, seeds, furniture, creamery, canning. Beneath it is shown the outline of the original dense forests which had previously covered the land.

Slogans are elsewhere displayed in the space. One of them reads "Build British Columbia first." Another admonishes the visitor to give attention to local undertakings, saying "Everybody push—make British Columbia payrolls bigger."

By a mechanical device there is displayed a regular succession of advertisements for various local manufacturers. As these reach the display point they automatically are halted on their way while a Neon light plays upon the halted advertisement.

In the foreground is arranged an outdoor scene with mounted game birds common to this province in evidence. The display located among the exhibits, which specially call attention to local industry, attracts a lot of attention. Ladies are setting out the advantages of patronizing home industry is being distributed by the energetic members of the Canadian products group of the Junior Chamber.

## BLUE STREAK HAS NOVEL FEATURES

An addition to the motor show at the Willows Exhibition is that of J. Ernest Eves, local distributor for Graham. The new Graham Blue Streak model is represented by a six-cylinder car, including many revolutionary features, among which are free wheeling, the new vacuum clutch and synchro-mesh transmission.

The unusual lines are a feature which draws much comment, the design following closely that of Sir Malcolm Campbell's famous Blue Bird racer. The stream lines commence with the sloping cowl and sweep back over the fenders and visorless windshield. The exceptionally deep fenders eliminate all air pockets and consequent "drag." The whole car has brought, and resistance to a minimum. The color, as indicated by the name, is a smart rich blue.

### AUTHORIZES PAVING

VANCOUVER, Aug. 23.—Paving and sidewalk construction, to cost \$72,180, was authorized today by the City Council, in session as a court of revision on local improvements.

Sidewalk construction authorized amounted to \$97,974, and paving, \$14,225.

## City & District

**Tree Cutting**—A delegation from the Chamber of Commerce will appear before the parks committee of the City Council, Thursday afternoon, to discuss the question of cutting down boulevard trees.

**To Aid Inn**—By unanimous vote members of the Kiwanis Club yesterday afternoon decided to proceed with a suggestion from the directors to build an additional room at the Sunshine Inn to accommodate women and children. The cost, it is estimated, will be between \$600 and \$650.

**Woman Injured**—Struck down by a truck driven by V. Omer, 805 Cormorant Street, yesterday, Miss Annie Baskby, of 1151 Pandora Avenue, was taken to the Jubilee Hospital to receive medical attention for a wound in her head. Her condition is not serious. The accident occurred at the intersection of Douglas and Yates Streets.

**Clothing Needed**—The Saanich Welfare Association urgently asks for gifts of clothing or donations in cash to provide school children with books and underwear, etc. The gift of a typewriter would be appreciated for use in the welfare room. Any one having contributions for the association is asked to telephone Empire 9301.

**Theft Charge Withdrawn**—Anthony Easton, charged in the city police court with stealing an automobile more than a month ago, was dismissed by Magistrate Jay yesterday morning when John L. Clay, counsel for Mr. Easton, making the information, intimated that a withdrawal of the charge was desired. C. H. O'Halloran appeared for Mr. Easton.

**Marshal Makes Report**—J. A. Thomas, provincial fire marshal, reported to the Aldermen yesterday that his findings in connection with the recent fire which swept Nanaimo commercial premises for a considerable time in damage. The report is being studied by officials of the department, with regard to the evidence given at the inquiry held by Mr. Thomas at the scene.

**Were Visitors Here**—Frank Blankley, who had charge of the swimming contest representing the United States at the Olympic Games in Los Angeles, passed through Victoria on his way home. He was accompanied by Mrs. Blankley and family. During their stay here they were guests at the Dominion Hotel. On the way East they will spend some time at Banff.

**Consider Final Brief**—Creston Innes, planning a request for provincial co-operation in the reclamation of 10,000 acres of farm land in the area, met in the city yesterday to prepare their case in its final form. Colonel Fred Lester, member of the Government during the day, and intimated that definite proposals would shortly be filed with the Government for consideration.

**Hearing Is Adjourned**—Preliminary hearings against William L. Turfitt, Alfred G. Peters and P. Warren Cottrell for alleged infractions of the Security Frauds Prevention Act governing the registration of businessmen and brokers, was postponed for one week when the case was called in the city police court yesterday morning. F. C. Elliott appeared for the accused, and W. H. Bullock-Webster for the Attorney-General's Department. Hearing is set for August 30.

**Report Incorrect**—There is no ground for a report that the Provincial Government would consider adding to the Federal subsidy on British Columbia lumber shipments to China. Premier Louie said yesterday, in response to questions. The Dominion Government had advertised for tenders for the amount of subsidy required, and a contract had been awarded on that basis. The question of provincial endorsement of this amount had not been considered and could not be considered, he stated.

**Are Waiting Judgment**—Appeal by the Lower Mainland Committee of Direction, under the Dairy Products Sales Adjustment Act from British Columbia judgments holding portions of that statute ultra vires, had an extended hearing before the Judicial Committee of the Privy Council, and judgment is awaited. Hon. R. L. Maitland said yesterday. The minister without portfolio for a brief audience during the day. The dairy sales appeal was argued by Mr. Maitland on behalf of the committee of direction, the hearing extending for more than a week.

## ENUMERATORS ENROLL VOTERS

Nearly 1,300 Saanich Residents Placed on List in Opening Days

Registration of Saanich voters in the first two days of enumeration was brisk, with 1,285 electors placed on the roll during Friday and Saturday last, it was stated yesterday by W. O. Wallace, in charge of registration. Enumerators are out in every ward and are meeting with ready co-operation on the part of eligible voters on whom they call. The registration will continue until all eligible voters in the district have had ample opportunity to place their names on the list. The house-to-house canvass in the seven wards, and the work of the central office in addition, will provide a full enumeration of the riding, it is expected.

The new list will contain the names of many who moved into the area within recent months, and for that reason is expected to be larger than the existing roster to a considerable extent. British subjects of twenty-one years of age and over, resident six months in British Columbia and one month in the riding, are eligible to vote at a Provincial election. Registration is free.

## EXPECTS CHANGE AFTER ELECTION

A. Lowrie on Visit Here Believes Conditions Are Improving in South

A. Lowrie, formerly resident here but now of California, is at the Empress Hotel, accompanied by Mrs. Lowrie. Some time ago he disposed of his holdings in Melchison and has been making his home in the South.

Mr. Lowrie will remain in the city for a short time, planning his trip so as to be able to enjoy the meet here. Speaking of conditions in the South, he says that there is evidently a change, and with the presidential election, he feels very strongly inclined to the opinion that there will be a change and that the Democrats will carry the day.

## Victoria to Be Given Publicity Over KOMO Today

Through the efforts of a small group of Victoria business men, a publicity programme advertising Vancouver Island and the Capital City will be broadcast over station KOMO, Seattle, at 6:30 o'clock this evening, as part of the Vacation Land Review heard at that hour.

An excellent choice of musical selections has been made for the programme, which will be rendered by Lloyd Solberg's orchestra. During the intermissions references to the island's beauty spots will be made.

The programme will open with "The Maple Leaf Forever," to be followed by "Pomp and Circumstance" (by Elgar), "By the Lotus Pool" (Wright), "Visions" (Tchaikovsky), "Morning" from "Peer Gynt Suite" (Grieg), "Tallyho Gallop" (Bernstein), and "God Save the King."

## VETERANS HOLD ANNUAL OUTING

LADYBETH, Aug. 23.—The local unit of the Army and Navy Veterans' Association, in conjunction with the ladies' auxiliary, held a pleasant outing to Shell Beach last Sunday. Quite a number of local people attended the affair. A good programme of sports was provided for the children of the members of the association.

## GERMAN SWIMMER FAILS IN ATTEMPT

## Former Resident Of Nanaimo Dies

NANAIMO, Aug. 23.—William Hodgson, a former Nanaimo resident, passed away at his home in Vancouver, yesterday, at the family residence, 42 Twenty-Sixth Avenue East, at the age of eighty years. The late William Hodgson resided here for twenty-five years, prior to his moving to Vancouver twenty years ago. He was a member of Friends' Lodge I.O.O.F., Nanaimo, in 1894, which later affiliated with Black Diamond, No. 5, of which lodge he was a member at the time of his death.

## PENSION SLASH LACKS SUPPORT

Port Alberni Opposes Revision—Victoria Firm Is Awarded Contract

PORT ALBERNI, Aug. 23.—A great deal of time was taken up at the meeting of the City Council last evening debating a resolution which had been forwarded by the Duncan City Council. This resolution asked for the discontinuance of mothers' pensions to Asiatics and to Hindu women, and also for a reduction of the pension to all mothers. Alderman Walter Harris opposed very strongly the part of the resolution covering the reduction of the pension and it was finally decided to adopt that part of the resolution opposing the granting of the pension to Asiatics.

Notice was received by the council that the contract for the repairs to the Government lumber assembly wharf had been let to the Victoria File Driving Company. This tender was considerably lower than that of a local firm which also entered a tender. The council instructed the clerk to write to the company asking it to employ local labor as far as possible.

An application was read from the merchants of the city asking that the council pass a proper by-law under the Shop Regulation Act to regulate the early closing of shops, the present by-law having been found ultra vires owing to the fact that the act states the by-law must set a date when it comes into force and the present by-law failed to give any date when it should come into force. It was passed in 1924 and has been acted upon for the past twelve years.

## Finnish Colony Is Leaving for Soviet Russia

## Saanich to Have Herd Competition

SAANICHTON, Aug. 23.—Arranged and sponsored by the Saanich Jersey Cattle Club, a district herd competition will be held between North and South Saanich. This event will take place at the annual fair of the North and South Saanich Agricultural Society on September 13 and 14. This will be in addition to the classes contained in the cattle section of the prize list.

George Robinson, the well-known horticulturist of Elk Lake, will be the judge in the flower section. There are thirty-one classes, covering a wide variety of floral exhibits, and flower lovers are encouraged to enter these competitions. The flower section in past years has earned well-merited praise from the various judges and has ranked high in the scoring. Mrs. B. Deacon, of Sidney, is the convener.

## Chicago Cubs Boost Lead in National by Defeating Phillies

Malone Pitches Masterful Ball to Bring Grimm's Squad to 6-5 Win in Close Battle—Braves and Pirates Win—Yanks and A's Come Through

CHICAGO, Aug. 23.—Big Pat Malone held Philadelphia to six hits today, beat them 5 to 1, and boosted the Chicago Cubs to a lead of three and one-half games over the idle Brooklyn Dodgers in the National League pennant race.

Outside of a home run by Hal Lee in the seventh inning, Malone was so effective that the struggling Phillies spent the afternoon striking out or popping up, enabling the Cubs to set only one National League record, a 19-inning game in a nine-inning game. The achievement also equaled the major league record, by the Chicago White Sox of 1919 and the Cleveland Indians of 1924.

Manager Charlie Grimm, at first, had only three pitchers at his disposal, but he turned to the fifth, when Koenig tossed out Lee to get the only assist. Malone fanned eight batters and participated in the attack with a double which scored two runs in the seventh.

R. H. E. Philadelphia 1 6 4 Chicago 5 1 0

Batteries—Malone and Hartnett.

Braves Advance

ST. LOUIS, Aug. 23.—Boston advanced to fourth place in the National League race by defeating St. Louis Cardinals, 6 to 3, today in the final contest of a five-game series, while the defending champions dropped down to sixth notch. Walter Egan knocked a home run in the fifth, to open Boston's scoring.

R. H. E. Boston 6 13 1 St. Louis 3 9 1

Batteries—Brown, Cantwell and Spahr; Johnson, Stout, Lindsey and Wilson.

Pirates Down Giants

PITTSBURGH, Aug. 23.—A three-run barrage in the third inning coupled with a single center in the second gave the Pirates their margin as they defeated New York Giants, 4-3, here today. Although Larry French allowed nine safeties, one more than Hubbell on the mound for the Giants, the Pirate hurler kept them well scattered, allowing the Giants single scores in the third, fifth and sixth.

R. H. E. New York 3 9 1 Pittsburgh 4 8 1

Batteries—Hubbell and Hogan; French and Grace.

AMERICAN LEAGUE

NEW YORK, Aug. 23.—Faced with a losing streak, the Yankees tried to mount to two straight. Tony Lasser and Lou Gehrig took the cause of the Yankees in hand today and belted out an 8-to-7 victory over St. Louis Browns.

Gehrig pounded out his twenty-seventh home run well scattered, allowing the Yankees single scores in the fifth with Babe Ruth on first, pulled the Yanks back in the half game and tied the score. George Fingers, who had been the Browns' pair of runs in the first and two more in the fifth.

In the seventh, after the Browns had driven Fingers to cover and led 7 to 4, Lasser tripled with two out, to score Babe Ruth and Earl Combs. Then in the ninth he belted another triple, the center with one out, to drive home the last two runs the Yankees needed to win.

R. H. E. St. Louis 7 13 0 New York 8 11 1

Batteries—Pigges, Moore and Dickey; Hebert, Blacholder and Ferrell.

A's Hit Hard

PHILADELPHIA, Aug. 23.—Cannonading three pitchers for fourteen hits, including five home runs, the Athletics today buried the Chicago White Sox under a 15-to-7 score, to take the series three games to one. Two of the homers came from the bat of Mickey Cochrane, to bring his season's total to eighteen, while Al Simmons, in his twenty-seventh, Rabbi McNair, his ninth and Bing Miller his third. Every man in the Mack line-up had at least one run.

R. H. E. Chicago 7 12 1 Philadelphia 15 14 1

Batteries—Gaston, Chamberlain, Bartholomew and Grube; MacHaffey and Cochrane.

Tigers Beat Red Sox

BOSTON, Aug. 23.—The Detroit Tigers staged a two-run rally in the eighth inning today to defeat the Red Sox, 5 to 4, and take the odd game of the five-game series. Singles by Rogell, Rhie, Hayworth and Pinch-Hitter Ruel, together with an infield out, furnished the winning margin.

R. H. E. Detroit 5 13 1 Boston 4 8 1

Batteries—Uhl, Bridges and Hayworth; Ruel, Welch, Wetland and Date.

Senators Win

WASHINGTON, Aug. 23.—The Washington Senators poured three Cleveland pitchers for fourteen hits today, but were forced to go thirteen innings to win. A single by Riel sent Manush home with the winning run with only one out. The victory gave Washington three out of the five-game series and ten out of the nineteen games played between the two teams this season.

R. H. E. Cleveland 4 14 1 Washington 10 14 0

Batteries—Harder, Connally, Russell and Sewell; Crowder, McAfee and Spencer.

## ENGLISH PAIR ADVANCE IN U.S. DOUBLES

Austin and Perry Reach Quarter-Finals With Easy Victory

BROOKLINE, Mass., Aug. 23.—The remainder of the staff was thrashed out of the fifty-first annual national doubles tennis championship at Longwood today, and all of the wheat was harvested for the quarter-final round.

It took two rounds of play to eliminate all of the mediocre players from nearby points, admitted into this classic this year because the U.S.L.T.A. was unable to finance the customary delegations of sectional champions. Only one match was interesting, and it ran true to form. Sidney Wood, of New York, and Lester Stiefen, Los Angeles, blasted Japanese hopes by eliminating Takeo Kuwabara and Jiro Satoh, 6-3, 7-5, 6-3.

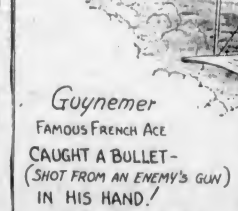

**TITLEHOLDERS WIN**

The titlists, Wilmer Allison and Johnny Van Ryn, defeated Talcott Banks, of Hartford, Conn., and Walter W. Wolf, Boston, 6-0, 6-2, 6-2. Two visiting teams were among the eight sets of survivors. Henry "Bunny" Austin and Frederick J. Perry, of England, who as they pleased against Platt Spencer and Austin Darcy, of Boston, 6-3, 6-3, 6-2, but Henry Cochet and Marcel Bernard, of France, had to play overtime to eliminate the smooth-working Turner Brothers from Brookline, 6-2, 6-3, 6-7, 6-1.

In tomorrow's international title, Austin and Perry will clash with George Lott and Frank Shields, the fourth-seeded American pair, and Cochet and his young partner will carry the tricolor against Gregory Broggin and Berkley Bell, last year's runners-up.

## TWO MATCHES CARDED TODAY

Bay's to Meet Saanich and C's to Oppose Victoria in Midweek Cricket Loop

Two important games are scheduled this afternoon in the Wednesday Cricket League at 2:30 o'clock. Hudson's Bay will clash with Saanich at the Hampton Road pitch, while the Five C's will meet Victoria at Beacon Hill Park.

Victoria is out in front of the race with three victories and one loss, while Hudson's Bay, winners of the first half championship, are in second berth with two wins and one reverse. The rest of the teams are well up and victories today will bring them within striking ground of the leaders.

Line-up follows:

Five C's—Comley, Fletcher, Payne, Wilkinson, Thorne, Reid, Bradford, Pillar, Griffin, Laird and Pendry.

Saanich—Porter, Phillips, Lock, Grant, Andrews, Moffat, Scarf, Lea, Carpenter, Perrin and Scalfie.

Hudson's Bay—Hansen, Oakman, Tyrrell, Baker, Payne, Stenton, Jones, Haines, Shrimpton, Walton, Kerslake, Reserve, Groves.

Victoria—Poynette, Wilcox, Craddock, Peberdy, Hewitt, R. Wynn, Saxton-White, P. Sharland, Hamber, Alexander and A. N. Othier.

Professional Swimmers Busy Training for Gruelling Test in the East

TORONTO, Aug. 23.—From Albin, Mich., to Honolulu, T.H., from Youngstown, O., to Ashabula, Mich., professional swimmers are gathering here in preparation for the men's fifteen-mile professional swimming marathon, to be held August 31, if water conditions permit.

The entry list, released by the Canadian National Exhibition today, shows a total of 308 swimmers entered in the event, and Toronto led all others in sheer numbers, for from this city forty-five will take the plunge, and among the forty-five are at least two who will probably be in the money. They are George Young, last year's winner, and Ernest Vierkotter, formerly of Germany, who won the event in 1927.

New York's delegation of fifteen has some dangerous contenders. There is Bill Goll, for instance.

Port George, Ont., home of last year's sponsor, second in 1930, is sending three others this year, and from Sydney, N.S., again comes Warren Anderson, one of the biggest swimmers of last year's swim.

First money this year amounts to \$7,500, with \$2,000 for second; \$700 for third, \$500 for fourth; \$300 for fifth, and \$100 for sixth.

## Favorites Move Up In Opening Rounds Of Junior Tennis

Record Entry Starts Play for Boys' and Girls' Singles Championships of Vancouver Island at Duncan Tournament

DUNCAN, Aug. 23.—The junior open handicap tournament, which carries the boys' and girls' junior championships (singles) of Vancouver Island, got off to a good start today with the biggest entry for this event ever recorded, the total number being 378.

Favorites came through in all cases. Colin Milne's play was watched with interest and he was playing in great form. I. Wasaki, Japanese entry from Vancouver, is a newcomer to these courts and played very well. For the girls, Eleanor Young and Nora Robinson, of Vancouver, and Peggy Horne, of Victoria, were outstanding.

Results follow:  
Boys' Singles (Under 18)  
C. Milne beat W. Brown, 6-1, 6-0.  
O. MacKay beat G. Guinness, 4-6, 6-1, 6-3.  
A. Rennie beat P. Aldersey, 6-2, 6-3.  
J. Dexter beat C. Hoey, 6-1, 6-0.  
N. McGregor beat P. Foster, 6-0, 6-2.  
P. Mainguy beat R. Angus, 6-1, 6-1.  
T. Jones beat M. Neel, 6-1, 6-0.  
D. Peden beat A. Bawden, 6-4, 8-6.  
E. O. Verhey beat P. Bradford, 6-0, 6-1.  
R. Garrett beat W. Dobson, 6-4, 3-6, 6-2.  
H. Lando beat A. F. Bailey, 6-0, 6-0.  
T. Iwasaki beat D. Crane, 6-1, 6-0.  
R. Dean beat Ward Beecher, 7-5, 6-1.

## HUGE CROWD EXPECTED AT SHOW FRIDAY

Fine Wrestling Programme to Be Presented by New Sports Promoter

After an absence of several months, heavyweights will appear on local wrestling cards again when Bob Kruse, rough and rugged Portland, climbs into the ring to clash with John Grandovich, Yugoslav grappler, in the eight 10-minute round main event on Friday evening at the opening of the Pacific Stadium Limited, opposite the Dominion Hotel on Yates Street. Rudy la Dita, Hungary, and Nick Elch, Serbia, will enter in the five-round semi-final, while Reg Hopkins and Lloyd Fenton, two local lightweights, will meet in the curtain-raiser at 8:45 o'clock. Another preliminary is being arranged.

From 8 o'clock until the time of the first bout, the Boys' Band will entertain the fans with the latest in the eight 10-minute round main event on Friday evening at the opening of the Pacific Stadium Limited, opposite the Dominion Hotel on Yates Street. Rudy la Dita, Hungary, and Nick Elch, Serbia, will enter in the five-round semi-final, while Reg Hopkins and Lloyd Fenton, two local lightweights, will meet in the curtain-raiser at 8:45 o'clock. Another preliminary is being arranged.

Both Kruse and Grandovich are in the best of condition for their important mix. The latter has a close decision to Don George, former world's champion, in Vancouver just a few nights ago, and should give the Rose City heavyweights a good fight. The semi and preliminaries are good bouts and should help to attract a record house.

## CANUCK ROWING MANAGER DIES

Canada's Olympic Team Head Passes From Heart Attack En Route to Ottawa Home

TORONTO, Aug. 23 (CP).—Sidney W. Smith, manager of Canada's rowing team at Los Angeles, died here today from a heart attack suffered on the train while returning from the Pacific Coast.

He was fifty-six years of age and one of the best known rowing coaches on the continent. For some years he was associated with the Lachine, Que., rowing club. His body will be taken to Ottawa for burial.

Smith was in charge of the Vancouver, Halifax, Hamilton and Toronto oarsmen and returned to Toronto with the Olympic team last Thursday night.

He was former manager of a stock brokerage firm which went into liquidation some months ago, and had been with the same firm for twenty-five years throughout Ontario before coming to this city fifteen years ago.

He is survived by his widow; one sister, Mrs. Louise Smith, of Ottawa, and one brother, Rev. Ernest Smith, Monticello, N.Y.

Funeral service will be held here tomorrow night, after which the body will be taken to Ottawa.

**GYLES AND ADAMS CAPTURE WESTERN DOUBLES HONORS**

WINNIPEG, Aug. 23 (CP).—A Winnipeg pair, Walter Gyles and Jack Adams, were crowned doubles tennis champions of Western Canada yesterday. They easily defeated the Calgary-Winnipeg combination, Leaside McMaster and Grant Watson, in straight sets in the final tournament match late today.

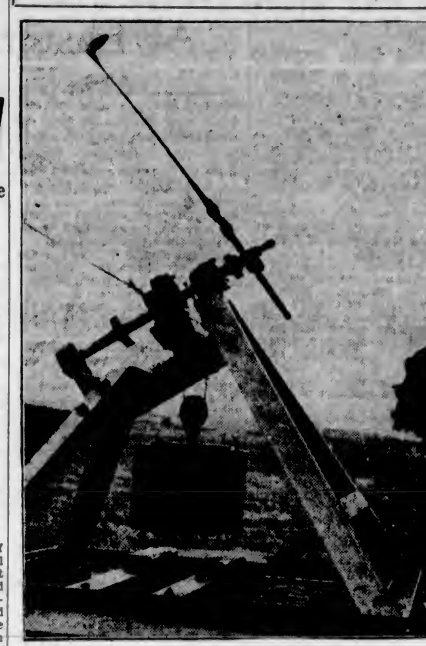

Gyles lost the singles title he had held for several years Saturday, when he was beaten by Watson.

**BASEBALL'S BIG SIX**

Leading batters: O. A. B. R. H. P. O'Doul, Dodgers, 117 478 109 178 370. Klein, Phillies, 124 480 120 187 380. Hurl, Phillies, 120 459 84 182 353. Meneses, Senators, 117 487 97 171 361. Gehris, Yankees, 121 474 107 164 344.

Pos. Athletics: 44. Klein, Phillies: 44. Hurl, Phillies: 44. Meneses, Senators: 44. Gehris, Yankees: 44.

## Tests Out Golf Balls

To discover the distance golf balls of various periods could be driven, Leonard Bates, professional at Burnhurst, Kent, England, drove straighter than, but not so far as the machine shown above. The machine is shown all set for a drive.

## CALEDONIANS DEFEAT Y.M.I.

Stage Great Rally in Seventh to Win First Game of City Softball Series

Staging a great rally in the seventh inning, Caledonians came from behind to defeat the Y.M.I. by an 18-17 score in the first round of the Victoria and District Softball League championships last night at Central Park before a large crowd.

This evening at Central Park the semi-finals of the Calvert Cup series will take place with the View Royals facing Ross Bay, and the Jokers clashing with North Saanich. Both games will start at 6:15 o'clock.

Scoring seven runs in the first inning, the Y.M.I. nine took a big lead over the Caledonians and held it until the disastrous seventh frame when the winners hit the ball hard to wipe out the deficit and take a two-run lead. Y.M.I. staged a rally in the eighth but it fell short.

Archie McBride twirled for the winners and John Watt for the losers.

**LEHMAN TAKES WESTERN MEDAL**

Chicago Amateur Shoots Sixzing 66 to Win Qualifying Honors With 137

ROCKFORD, Ill., Aug. 23.—Two storms hit the Western Amateur golf championship today. One, a wicked blow from the West, ripped the score sheets off the board and blew three of them into the ether; the other was stirred up by Johnny Lehman, of Chicago, who stormed the doguola of the championship Rockford Country Club course with a sizzling 66 that gave him a record-smashing thirty-six hole total of 137.

Lehman's total, knitted with a 71 yesterday, and his great 66 today, chipped two shots from the all-time Western medal record established at Lochmoor, Detroit, by Dexter Cummings, veteran Chicago star, in 1925.

**ENGLISH CRICKET**

LONDON, Aug. 23 (CP).—Results of county cricket matches in the United Kingdom were: Hampshire won by an innings and 143 runs from Glamorgan; Hampshire 343 for eight, declared; Glamorgan 108 (Kennedy seven for 28), and 92 (Kennedy six for 43).

Derbyshire won by an innings and 123 runs from Northamptonshire; Derbyshire 369; Northamptonshire 103 and 143.

In their friendly game with Leicestershire, All-India won by an innings and 15; All-India 412 for eight, declared; Leicestershire 106 and 291 (Spary 124 not out).

**Great Spirit of Sportsmanship Shown by Officials at Race Meet**

OFFICIALS in charge of the races at the Willows track showed a splendid spirit of sportsmanship and generosity, yesterday, when they excused Little Pat, in the seventh race, after he had rolled on and injured his rider, Jockey Perry, while at the barrier, and announced that all money bet on the horse would be refunded. Little Pat was one of the favorites, and there was close to \$1,000 bet on him. The announcement was greeted with great applause from the crowd, and it is doubtful if there has been similar action in Canadian racing. The rules read: "A horse, after it has left the paddock for the post, cannot be excused by reason of accident or casualty, and is deemed a starter. The judges, however, may excuse a horse if it is injured in the paddock or while warming up."

## Phil Taylor Will Defend Honors on Vancouver Course

Oak Bay Professional to Face Starter at Jericho Club in Provincial Tourney on September 1 and 2—Walter Gravlin, Freddy Clunk and Freddy Burns to Enter—Marling May Play

Phil Taylor, brilliant shotmaker from the Victoria Golf Club, announced yesterday that he would defend his British Columbia open championship at the Jericho Country Club in Vancouver over the seventy-two-hole medal route on September 1 and 2. Taylor ran away from the field last year at Uplands to regain the crown he lost the year before on the Mainland to score a great victory from a formidable field of pros and low handicap amateurs. Along with Taylor, three other local members of the amateur ranks will go in quest of the title. They are Walter Gravlin, Uplands; Freddy Clunk, George Vale, and Freddy Burns, Mainland. There is a possibility that Alex. Marling, Colwood's popular pro, will also compete.

Twelve months ago at Uplands, the Oak Bay professional set a fast pace during the opening day and will be Don and Dunc Sutherland, Harry Winder, Freddy Woods, Alex. Duthie, W. G. Heyworth and Jimmy Hush, other Mainland professionals, in the field.

The amateur contingent will be strong, especially from Vancouver circles. Whether or not any of the local top ranking Simon-pures will be amongst the field is not yet known, but it is expected that some of them will go after the championship.

**BELANGER STOPS JIMMY SLATTERY**

Canadian Light-Heavy Champion Futs Former Titleholder Away in Second

BUFFALO, N.Y., Aug. 23.—Charley Belanger, Canadian light-heavyweight champion from Winnipeg, tonight stopped Jimmy Slattery, former boss of the light-heavyweight division, in two rounds, and took only fifty-five seconds of the second. Slattery, showing little in his comeback attempt, was helpless after Belanger knocked him down with a right to the jaw in the first minute of the battle, and battered him from pillar to post.

In the second, after "Slats" had been knocked down again, and was reeling drunkenly about under Belanger's attack, Referee Dick Coffey halted proceedings. Slattery did not land a single effective punch. Belanger weighed 180 1-2 and Slattery 166 1-2.

**Richardson Hurls Arrows to Great Win Over Tulips**

VANCOUVER, Aug. 23 (CP).—Arnie Miller's home run blow over the right field wall, in the thirteenth, broke up one of the longest extra inning ball games, here, this season, and gave Arnie Transfers a 4-2 decision over Bellingham Tulips, here, tonight.

Bill Richardson, star right-hander, whiffed twenty-one batters and allowed only five hits. Lewis was on the mound for Bellingham, and also allowed five hits, two of them in the last frame.

Bellingham and Arrows each scored runs in the fourth. Going in the thirteenth, Slattery was safe on a scratch single. Miller followed with his circuit drive.

Bellingham: R. H. E. 2 5 1. Arrows: 4 5 1. Batteries—Lewis and Wilson; Richardson and Barnes.

**WALTER GRAVLIN SERVED NOTICE**

Walter Gravlin served notice last week that he is playing some of the best golf of his career when he finished one stroke behind Don Sutherland, Vancouver Golf and Country Club, in the annual open invitation tournament held at the Peace Portal club at Blaine, Washington. The Uplands sharpshooter finished with a brilliant round of 70 to top second position. He is hitting the ball as well as he ever did and should be right there when the officials come to distributing the money awards.

Freddy Clunk will be playing in his second provincial open meet since taking over the pro's duties at the George Vale club. Last year at Uplands the youngster, who rose from the local caddy ranks to the position he now holds, found the going hard and finished well down the list. Freddy has sharpened his game since then, and two weeks ago showed that he is on his game by breezing around his home course in 69 for a new record over the second nine holes for the eighteen-hole distance. Freddy Burns has been seeking the British Columbia crown for years and hopes to be up with the leaders at the Jericho classic.

**BLACK ON ISLAND**

Dave Black, Shaughnessy Heights club in Vancouver, former holder of the crown, is at present holidaying at Qualicum Beach and will return to the Mainland early next week to get in some practice at the scene of the meet before the barrier goes up. Along with Black there

**Six Squads May Play in Junior Soccer League**

Jokers, Oaklands, Y.M.C.A., Royal Oak, James Island and possibly the Macabees, will form the Junior Football League this season, according to the entries received at last night's meeting held at the Y.M.C.A. The entry list will close on September 2 and the schedule for the season will be drawn at a later meeting of the association.

**SCOTTISH FOOTBALL**

GLASGOW, Aug. 23 (CP).—St. Mirren defeated Third Lanark by 3 goals to 1 in a Scottish League first division soccer game today. Third Lanark were playing away from home.

Queens Park drew with Morton and Rangers with Clyde, at scores of 1-1 and 2-2. Rangers, holders of the Scottish Cup, have already lost one and won two games this season.

**CALLING IT "BOARD"**  
A boarding house "room and board" to board at a certain place--all the variety of expressions in which "board" indicates one's daily food--good board, good food--a boarder, one who lives at a certain place and pays for his meals and lodgings--we accept these without question of the connection of this word in its original sense with its modern implications.

Originally, the term means simply a plank. Derived from the Anglo Saxon "bord" its reference was to the "board" in "shipboard," or the side of a ship! There we have "board" as a piece of timber sawed thin and of considerable length and breadth and no thickness. Its development in meaning to indicate a table, whence came the expression "you are always welcome at my board," is easily comprehensible. And thence came its transition in significance to what was served on the table.

# At the Theatres

**ROMANO** Following her sensational success with the dramatic film, "The Big Fight," Lola Lane was assigned an even greater part in the same producers' latest hit, "Costello Case," a thrilling expose of underworld law, which is now at the Romano Theatre. Lola's high among the best of the screen's young featured players with a brilliant career before her.

**DOMINION** How would you like to see a hungry man-eating tiger battle to the death with a twenty-five-foot bone-crushing python? How would you like to see this same embattled tiger step into a pool to slake his thirst and come face to face with the jaws of a sixteen-foot crocodile just waiting for tiger meat? These are some of the superior thrills in the Van Beuren Corporation's feature film, "Bring 'Em Back Alive," which is now at the Dominion Theatre.

**COLUMBIA** "When a Feller Needs a Friend," now at the Theatre, is an adaptation of the late William Johnston's novel, "Lumpy," the story of a

crippled boy who becomes a "regular feller" in spite of his physical handicap. It is said to represent Jackie Cooper's most vivid and best-balanced screen role to date, following such successes as "Skiway" and "The Champ."

**EMPIRE** Actors of International Theatre prestige on stage and screen will be seen in "Aren't We All?" this newest of Gertrude Lawrence starring features now at the Empire Theatre. The cast includes Marie Lohr, Hugh Wakefield, Owen Nares, Harold Smith, Renee Gadd, Rita Page, Aubrey Mather and Emily Fitzroy.

**CAPITOL** Two songs, Incorporated Theatre in "Congress Dances," which is now at the Capitol Theatre, are now the rage of Europe, and are expected to assume hit proportions when the picture is released generally in this country. One of the songs, "Once for All Time," is more popular in London, Paris and Berlin than was "Zwei Herzen," which was so big a hit in this country a year ago. The other is titled "Live, Laugh and Love."

**PLAYHOUSE** Hugh Herbert is THEATRE one of screenland's most versatile comedians. He is a screen play writer, vaudevillean, song writer and film director. He comes to the fore in Radio Pictures' hit comedy, "Laugh and Get Rich," now at the Playhouse Theatre, in which he is featured with Dorothy Lee and Edna May Oliver.

**CULBERTSON on CONTRACT**  
By Ely Culbertson  
World's Champion Player and Greatest Card Analyst

**SLAM BIDDING**  
Bidding for slams with a partner is a high card in the trump suit. Hoping against hope that the age of miracles had not passed, Mr. Levin then laid down the ace of diamonds, and when West dropped the nine, the situation looked much better. This was confirmed by the fall of the queen on the next round, followed by two more rounds of diamonds, East discarding a spade on the last diamond. All that was now needed to complete the contract was for East to have the king of spades, as his hand was now void of cards in any other suit except the high trump. He was then put in with the lead of a trump, and at the end forced to lead away from the spade king and thus permit the making of the contract.

In sending in this hand, Mr. Levin asked me to comment on the bidding and play. The bidding, of course, was overbid. South's hand, containing as it did a singleton, suggested unbalance in other hands. Even with the dummy exposed, it was apparent that there must be a diamond loser, except with favorable distribution. Safeguarding this, he dropped the diamond queen either through a finesse or finding it only once-guarded, South still had to find a favorable distribution of the trumps to make his contract.

Slams carry with them rich bonuses, but they should be scientifically bid and should not depend upon as many favorable breaks as were required in this case. There is an old adage that "fortune favors the brave," but there is a wide dividing line between a gamble which may result disastrously and sheer timidity which should always lose.

Mr. Levin's bidding can only be described as a gamble. Its success depended on a fortunate eventuality. In two out of three possible eventualities, regardless of the result, the slam should not have been bid.

**TODAY'S POINTER**  
A direct bid for slam without knowledge of whether or not partner can support the bid is a leap in the dark. Even when such bids have a happy outcome for the bidder, they are not in accord with sound bidding principles.

**TOMORROW'S HAND**  
The bidding and play of the hand printed below will be discussed tomorrow: South—Dealer.

Mr. Levin was sitting South, and decided on a bold stroke. Granted the hearts would break, there were only two losing tricks in the hand—namely, a spade loser and a diamond loser. If he bid three hearts, North might pass. In fact, with South's holding, North must almost inevitably do so. Therefore, South, who was very fond of rich slam bonuses, took matters in his own hand and bid the slam at once.

West opened a club, and when North's hand was laid down, Mr. Levin covered with the knave in dummy, hoping that East might hold the king and play it, and that thus he might find a discard for his losing spade. When this play did not materialize, Mr. Levin led a small heart to the queen and then ruffed a club in his own hand. He felt that the diamond finesse involved too great an element of risk, and that he might later perhaps use a losing diamond as an exit play.

## ART STANDARD IS IMPROVING

Schools' Exhibit at Willows Shows Marked Advance Over Former Years

There is no doubt whatever that the standard of art is improving in the schools of Victoria and surrounding districts. Visitors to the junior section of the art exhibition at the Willows this week will find abundant evidence of the fact.

Among the entries which should be specially noticed are the school exhibits, which include oil and water color landscapes, marines, animal studies, figures, flowers, still life and fruits, also the maps. All these show that teachers are paying more and more attention to the exhibition requirements; they also show the results of more individual teaching, a keener observation and perception on the part of the pupils, and, in some outstanding instances, conspicuous originality.

A few should be sought out: In Class 14, No. 520, a monochrome of a rose, by some young artist who is not yet seventeen; Class 25, entry No. 332, a home's head and shoulders drawn in pencil; Class 41, a water color, by some boy or girl under fifteen, of two dogs; No. 532 in Class 11, a water color painting of a salpiscia, very badly mounted, but excellently represented, and the several original water color portrait drawings, extremely "modern," but unusually powerful, by a boy of fourteen who is entirely self-taught.

Sidney School again sends a conspicuously good entry. The maps are particularly fine, and those showing the products of British Columbia and Vancouver Island, with alphabetical key, will interest everyone.

**OTHER ARTS AND CRAFTS**  
For the first time this year the art section at the fair has made a class for model aeroplanes made by boys. There are no less than eight models of ships. Arthur Cann, a young craftsman with a very delicate touch, has on display a Gothic style clock, and the Lord's Prayer in fretwork, and John W. Bolden's lightly-carved boxwood cabinet, clocks and other objects are worth noting.

Beautiful examples of professional and amateur photography, and a large entry of handicrafts by the Victoria West Brotherhood are also included in the display.

**WILD STEER STARTS TROUBLE**  
TORONTO, Aug. 23 (CP).—Scores of persons dashed for safety, two cars were wrecked and traffic in the Sunnyvale district was paralyzed for half an hour yesterday when a wild steer broke loose and went on a rampage.

**MAYBE ON A SUNDAY**  
BARTLESVILLE, Okla., Aug. 23.—Earl Christie went to a party. There he met the lovely Mrs. A. Miss Plum and Sam Lemon. They ate fruit salad.
